# Report on Deeksharambh – Induction Program 2025

The Department of **Bachelor of Computer Applications (BCA)** organized its **Induction Program** titled “**Deeksharambh**” to warmly welcome the newly admitted first-year students on **7th October 2025**. The program began at **10:30 AM** in the **Main Auditorium** and witnessed enthusiastic participation from all first-year students, faculty members, and staff of the BCA Department.

## Objective of the Program

The primary objective of “**Deeksharambh**” was to help new students acclimatize to the institutional environment, understand the academic structure, and imbibe the culture, values, and vision of the college. It aimed to instill a sense of belonging, curiosity, and motivation among students as they embarked on their academic journey in the field of computer applications.

## Program Schedule

1. Surprise Event for Freshers
2. Principal’s Address
3. Talk by the Chief Guest
4. Insights by the Alumni
5. Information on NEP and MOOCs
6. Ice-Breaking Event for Freshers
7. Vote of Thanks

## Event Proceedings

The **Deeksharambh Program** commenced with a **Surprise Event for Freshers**, designed to break the ice and create a lively, welcoming atmosphere. Students participated with great enthusiasm, which set an energetic tone for the day.

This was followed by a **formal inaugural session**, where **Dr. Prashant Yende, Head of the BCA Department**, delivered the **welcome address**. In his inspiring speech, he encouraged the new students to be proactive, disciplined, and inquisitive. Dr. Yende emphasized the importance of teamwork, dedication, and continuous learning in building a successful academic and professional career. He urged students to take advantage of the institution’s opportunities for skill enhancement and personal development.

## Principal's Address

The program was honored by the presence of the **Principal, Dr. Deepa Panhekar**, who addressed the gathering with her insightful and motivating words. Dr. Panhekar warmly welcomed the new students to the institution and congratulated them for choosing BCA as their path toward a promising career in technology.

In her address, she emphasized the significance of **ethical values, consistency, and innovation** in a student's life. She encouraged students to balance academics with co-curricular and extracurricular activities to ensure all-round growth. Dr. Panhekar also appreciated the faculty for their dedication to student development and expressed her belief that the new batch would carry forward the legacy of excellence the department is known for. Her address infused a sense of pride and motivation among the students.

## Chief Guest's Address

The highlight of **Deeksharambh 2025** was the session by the **Chief Guest, Ms. Muktai Deb Chavhan**, a distinguished professional and motivational speaker. Ms. Chavhan's talk focused on the importance of self-belief, adaptability, and perseverance in today's dynamic world.

She shared her personal experiences and professional journey, illustrating how dedication and positive thinking can help one overcome challenges. She also spoke about the rapidly evolving IT industry, emphasizing the importance of continuous learning and skill development. Her inspiring words resonated deeply with the students and encouraged them to pursue their goals with determination and confidence.

## Alumni and Academic Insights

The event then moved to the **Alumni Interaction** segment, where former students of the BCA Department shared their experiences and success stories. They reflected on their time at the college, the guidance they received from faculty members, and how the department's supportive learning environment helped shape their careers. Their stories served as motivation for the freshers, inspiring them to explore new opportunities and strive for excellence.

Following this, **Ms. Harsha Pethe** conducted a session introducing students to the **National Education Policy (NEP) 2020** and various **AICTE initiatives** promoting skill-based and holistic education. She explained how NEP encourages interdisciplinary learning, innovation, and flexibility in higher education.

Ms. Pethe also discussed **MOOCs (Massive Open Online Courses)**, highlighting how these platforms allow students to access world-class learning content, gain certifications, and complement their classroom education.

To make the session interactive and engaging, Ms. Pethe conducted several **ice-breaking activities**, which brought out creativity, teamwork, and communication among students. The auditorium was filled with laughter and enthusiasm as students eagerly participated.

One of the most popular activities of the day was “**Who Am I?**” — a reflective and motivational session that encouraged students to identify their inner strengths, aspirations, and values. This activity helped them gain confidence and develop self-awareness as they stepped into the next phase of their education.

#### Campus Tour and Cultural Visit

After the interactive sessions, a **Campus Orientation Tour** was organized as part of **Deeksharambh** to familiarize students with the college’s infrastructure and facilities. Students visited the **Library, Computer Laboratories, Sports Complex**, and other key departments. Faculty members guided them throughout the tour, explaining the various academic and technical resources available for their learning and growth.

As part of the holistic orientation, a **special visit to Deekshabhoomi** was arranged. Students learned about its deep historical and cultural significance, as well as its message of **equality, peace, and education**. The visit inspired students to uphold human values and contribute positively to society.

#### Faculty Involvement and Coordination

The entire event was seamlessly coordinated by **Ms. Priyanka Soitkar**, who ensured the smooth execution of every segment of **Deeksharambh**. Her meticulous planning, attention to detail, and effective communication played a crucial role in the success of the induction event.

In addition to Ms. Pethe and Ms. Soitkar, the faculty members **Ms. Shama Khan, Mr. Vaibhav Bhagwat, Mr. Javed Shah, Ms. Madhvi Singh, and Mr. Adarsh Lonare** also addressed the students. They shared information about the academic calendar, departmental initiatives, clubs, and various co-curricular opportunities. Their motivational messages encouraged students to maintain a balance between academics and personal development, and to make the most of every opportunity presented to them.

#### Vote of Thanks and Conclusion

The **Deeksharambh Program** concluded with an **interactive session** where students expressed their excitement and gratitude for the warm welcome. They appreciated the efforts of the department in organizing an informative and enjoyable induction experience.

The **Vote of Thanks** was gracefully proposed by **Ms. Madhvi Singh**, who expressed sincere gratitude to **Principal Dr. Deepa Panhekar, Chief Guest Ms. Muktai Deb Chavhan, Head of Department Dr. Prashant Yende**, all **faculty members**, and the **organizing committee**

for their dedication and teamwork. She also extended thanks to the students for their active participation and enthusiasm throughout the event.

### Outcome of the Program

The **BCA Induction Program — “Deeksharambh 2025”** was a **resounding success**, fulfilling its objectives of introducing students to the academic, cultural, and social ecosystem of the college. It:

- Helped students become familiar with the institution’s structure, vision, and support systems
- Encouraged peer bonding and faculty-student interaction
- Provided awareness of NEP 2020 and online learning opportunities
- Fostered values of discipline, teamwork, and reflective learning
- Inspired motivation, self-confidence, and a sense of belonging

The day ended on an **uplifting and inspiring note**, leaving the students motivated, connected, and ready to begin their new academic journey with enthusiasm and determination.
