Report

World Ozone Day 2025-2026

Organized by Dr. Ambedkar College, Deekshabhoomi, Nagpur

Date: 16th Sept 2025

Dr. Ambedkar College recently organized an *Ozone Day Poster Competition* as a part of Ozone Day Celebration with the objective of creating awareness among students about the importance of the ozone layer and the harmful effects of its depletion. The competition served as an educational and environmental initiative, encouraging students to express their understanding and creativity through visual presentations.

Various themes related to ozone depletion were imparted to the students prior to the competition. Participants prepared informative and creative posters highlighting the ozone layer, its significance, adverse effects of ozone depletion, and the consequences on Earth and living organisms. The posters reflected strong environmental awareness, scientific understanding, and artistic skills among the students.

The competition was judged by **Dr. Subhash Somkuwar**, Head of the Department of Botany, and **Dr. Rahul Kamble**, Assistant Professor, Department of Botany. Their guidance and evaluation added academic value to the event.

In the competition results, **Namami Godbole** secured the **third rank**, **Ichha Wadpaliwar** obtained the **second rank**, and **Tejaswini Satav** was awarded the **first rank**. **Piyush Tayade**, **Khusali Ranghdale**, and **Vanshika Waghada** received **first, second, and third consolation prizes** respectively. A **special award** was conferred upon **Ruschika Choudhary** and **Arti Patle** for their notable participation.

The programme was efficiently anchored by **Farheena Naaz**. A formal vote of thanks was proposed by **Jyota Roy**, while **Satish Karpe** addressed the gathering and emphasized the need for environmental conservation.

Dr. Deepa Panhekhar, Principal of Dr. Ambedkar College, highlighted the importance of safeguarding the ozone layer. **Harsha Borkar**, Vice Principal, motivated students to actively contribute towards environmental conservation for a sustainable future.

The Students of B.Sc Major Botany have enthusiastically participated in the poster competition guided by **Prof. Labhesh Parteti**, Assistant Professor, Dept of Botany.

The event was successfully coordinated by **Nilima Thakre**, **Farheena Naaz**, **Manisha Sahare**, **Sheetal Gajbhiye**, and **Khushbu Advani**, whose efforts ensured the smooth conduct of the programme.

The Ozone Day Poster Competition proved to be a meaningful and awareness-driven activity, inspiring students to understand environmental challenges and take responsible action towards protecting the ozone layer.

FROM THE COLLEGES

Shivaji Science College

THE Students' Induction Programme (SIP) 2025 of Shri Shivaji Education Society, Amravati's Shivaji Science College, Congress Nagar, Nagpur, was conducted recently at the college's conference hall. The programme provided newly admitted students with a strong foundation of academic orientation, personal growth and professional readiness.

Dr SV Ghonmode introduced the objectives of the SIP and provided detailed information for the new students. The programme featured an insightful session by Dr Arvind Patil Bhagat, who stressed the importance of communication and teamwork in modern education and careers said, "Academic brilliance without communication is like owning a supercar without fuel. Communication and collaboration are not soft skills—they are core skills."

Another speaker was Vishal Kharachwal a distinguished alumni of the college. The highlight of the session was the motivational address by Vishal Kharachwal.

His speech, coupled with an interactive question and answer session proved to be highly enriching and inspiring for the newly inducted students.

Dr PB Zamarkar conducted the programme who served as the master of ceremony. This was followed by the introduction of the guest speaker by Dr VR Kinikar, who also proposed a vote of thanks.

The session proved to be an inspiring experience, leav-

ing the students motivated, confident, and energised for their academic journey ahead. The Students' Induction Programme 2025 proved to be a transformative and inspiring experience for the fresh batch.
