

Dr. AMBEDKAR COLLEGE, DEEKSHABHOOMI, NAGPUR

DEPARTMENT OF PHYSICS

Name of the Programme	:	“Report on the Election Process for the Post of President of Physics Society”
Date of the Programme	:	24/09/2025
Hosted by	:	Dept. of Physics
Resource Person	:	Faculties of Physics Department

Objectives:

1. To ensure a fair and transparent election process to provide an equal opportunity to compete for the position of President of the Physics Society.
2. To assess candidates' leadership potential, decision-making skills, and ability to represent the interests of the Physics Society through personal interviews.
3. To encourage active participation from the students by involving them in the voting process, ensuring the elected President reflects the majority's choice.
4. To promote student governance and leadership within the Department

The election process for the post of President of the Physics Society in the Department of Physics at Dr. Ambedkar College was conducted successfully on 24 September 2025.

1. Voting Process

Voting was scheduled to take place within the department. The voting process was designed to ensure fairness and accuracy. Volunteer students took the responsibility of designing the ballot papers, ensuring that the names of the candidates were clearly printed.

Eligibility to vote was strictly regulated. Only those students who had Physics as one of their subjects in their degree course and who had taken admission for the next academic year were allowed to vote. Students who had discontinued their studies or were no longer enrolled in the department were not permitted to participate in the election.

Voting Day

The voting took place on 24th September 2025. Students participated, casting their votes for their preferred candidates. The atmosphere was lively, and the students expressed enthusiasm throughout the process, reflecting the importance of student leadership within the department.

Election Results

Dr. AMBEDKAR COLLEGE, DEEKSHABHOOMI, NAGPUR

DEPARTMENT OF PHYSICS

Ms. Pranjal Ganer won the election with a significant lead, securing more than 21 votes over the other candidates. His victory was well-received by his peers, indicating strong support for his leadership within the Physics Society.

The election was conducted smoothly and fairly, with an efficient process in place for both interviews and voting. The students of the Department of Physics at Dr. Ambedkar College beginning of a new chapter for the Physics Society.

Outcomes: After going through the election process students were able to

1. Develop Leadership Skills and enhance critical thinking, decision making
2. Foster a Sense of Responsibility
3. Strengthen Teamwork and Collaboration and to promote democratic participation
