The Department of Biochemistry and Biotechnology conducted a mentoring activity for B.Sc. students in **September 2025**. All students of **B.Sc. Semester I, III, and V** were mentored by the teaching staff for scholastic guidance, personality development, psychological support, job guidance, and career opportunities. For this activity, all students from B.Sc. Semester I, III, and V were evaluated and guided by Dr. (Mrs.) B. A. Mehere, Dr. Utpal Dongre, Dr. Deovrat Begde, Mr. Pradip Hirapure, Mr. Rohan Thaware, Ms. Rita Lakkakul, Dr. Bharat Kharat, Dr. Suresh Suryawanshi, Mrs. Pallavi Pantawne, Ms. Nikita Mohod and Ms Yegeshwari Bhanuse. Students from all semesters were equally distributed among the teachers for mentoring. Each teacher conducted face-to-face interactions with the assigned students to understand and address their concerns. The mentoring activities were meticulously recorded by the respective teachers, and the data were properly maintained for departmental records. The mentoring activity proved beneficial in establishing a strong mentor–mentee relationship. Students expressed satisfaction with the support and guidance received from their mentors. The activity helped in improving student engagement, academic performance, and confidence levels.
