Report on Tree Plantation & Plastic Eradication Drive

The NSS Department of Dr. Ambedkar College, Deekshabhoomi, and Nagpur organized a **Tree Plantation and Plastic Eradication Drive** on **25th July 2025 at 9:00 AM** within the college campus. The program aimed to promote environmental awareness among students and encourage them to contribute towards a greener and cleaner environment.

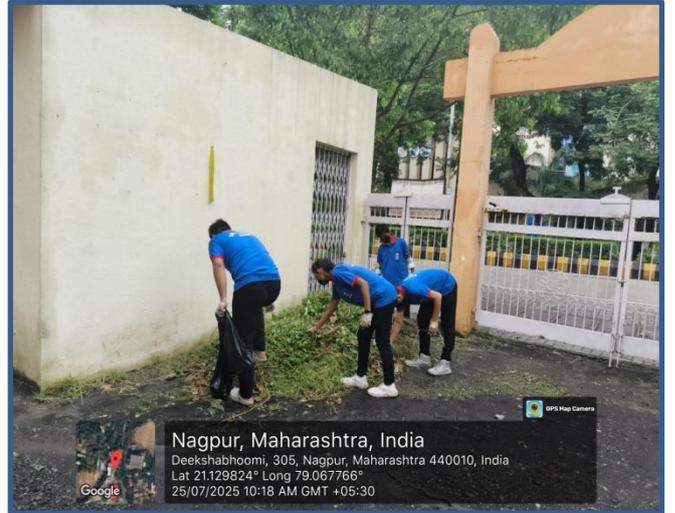

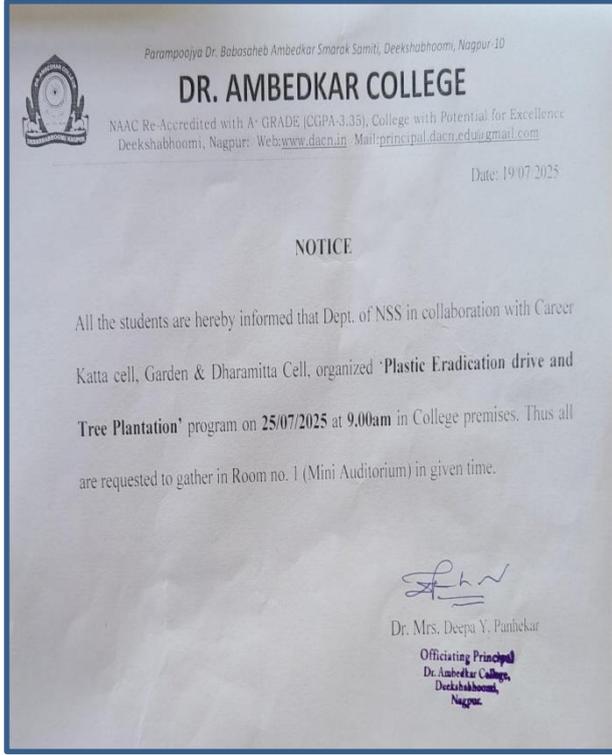

The activity was coordinated by **Mr. Ankit Pusadkar**, NSS Programme Officer, and **Mr. Purvesh Fating**, NSS Programme Officer. The program witnessed enthusiastic participation from **75 NSS volunteers** and staff members.

The **Principal of the college, Dr. Deepa Panhekar**, graced the occasion and encouraged the students to take responsibility for protecting nature and reducing plastic usage. Several teaching and non-teaching staff members were also present and actively supported the initiative.

During the drive, NSS volunteers planted a variety of tree saplings in different areas of the college campus to enhance greenery and improve the environmental conditions. The volunteers also conducted a plastic eradication activity by collecting plastic waste from the campus premises and spreading awareness about the harmful effects of plastic on the environment.

The program successfully created awareness about environmental protection and motivated students to adopt eco-friendly practices in their daily lives. The initiative concluded with a message emphasizing the importance of maintaining a plastic-free and green campus.

The NSS Department expressed gratitude to the Principal, staff members, and students for their valuable support and participation, which contributed to the success of the program.
