Brochure

Report on Educational Visit to Agro Vision, Grand National Agricultural Exhibition, Workshops & Conferences organized by AgroVision Foundation from 21-24 November, 2025 at RTM Nagpur University.

On Saturday, 22nd November 2025, an educational visit was organized for students of the Commerce Department to the program Agro Vision, Grand National Agricultural Exhibition, Workshops & Conferences organized by Agro Vision Foundation from 21-24 November, 2025 at RTM Nagpur University. This event is Central India's Largest Agri Summit dedicated to transforming Indian agriculture by encouraging, educating & empowering farmers which includes various events like National Agri Exhibition 2025, Interactive Workshops on various topics, Conferences etc. Hence, this visit was organized to provide exposure to students to modern agricultural practices, technologies & innovations shaping the future of farming.

Objectives of the Visit:

1. To enhance students understanding of agriculture and agri-business.
2. To familiarize them with emerging technologies in farming.
3. To encourage awareness about sustainable and climate resilient agriculture.

Overview of the Visit:

Upon Arrival students attended the workshop on Agri-startups & Innovative farm solutions from 10.30 am to 12.00 pm, where they understood the role of agriculture in economy, rural development & national growth and recognized career & entrepreneurship opportunities in agri-tech, food processing & allied sectors.

During the visit, students explored various stalls and pavilions showcasing:

- Modern farm machinery & tools.
- Organic farming methods.
- Soil & water conservation techniques.
- Agri-startups & innovative farm solutions
- New varieties of seeds, crops & inputs.

The visit not only expanded the students' knowledge of agriculture but also inspired them to explore career opportunities in this important field. The involvement of faculty members Dr. D. H. Puttewar, Hod, Comm. & Mngt. Dept., Dr. Akhil Ramteke, Dr. Vaishali Fating, Prof. Nidhi Nakhale, Prof. Dasharath Wasnik, Dr. Ankit Pusadkar, Purvesh Fating and Prof. Poonam Vishwakarma ensured that the students had guidance throughout the visit, making it an overall educational success.

Programme Objective :

1. To develop awareness about modern agriculture techniques, tools & methods.
2. To promote interest in agriculture among students.

Learning Outcomes.

By attending the workshops & visiting the exhibition students understood the role of agriculture in economy, rural development & national growth and recognized career & entrepreneurship opportunities in agri-tech, food processing & allied sectors.

Conclusion:

The visit to the program Agro Vision, Grand National Agricultural Exhibition, Workshops & Conferences at RTM Nagpur University was a highly successful and inspiring experience for the students of the Commerce Department. It broadened their knowledge, promoted environmental awareness, & motivated them to explore future opportunities in the field of agriculture.

54 responses

7. Overall experience of the Agrovision visit

 Copy chart

53 responses

8. What did you like the most during the visit?

37 responses

I can't like
Anything during a visit

"I liked the peaceful environment and getting close to nature the most during the agro tourism visit."

The exhibition

Good understanding experience

I like all part of the vist

New knowledge about agriculture

9. Suggestions for improvement:

25 responses

Nothing

Give visitors a simple way to share suggestions for continuous improvement

Nothing everything is perfect

Good Excellence

All good

None

I believe the only thing which needs to be improved is the demonstrations to be more detailed,other than that everything was explained very precisely

No improvement

no comments

Glimpses
