Report on “Poster Competition Activity”

“Role of AI & Cyber Security in Electronics Systems”

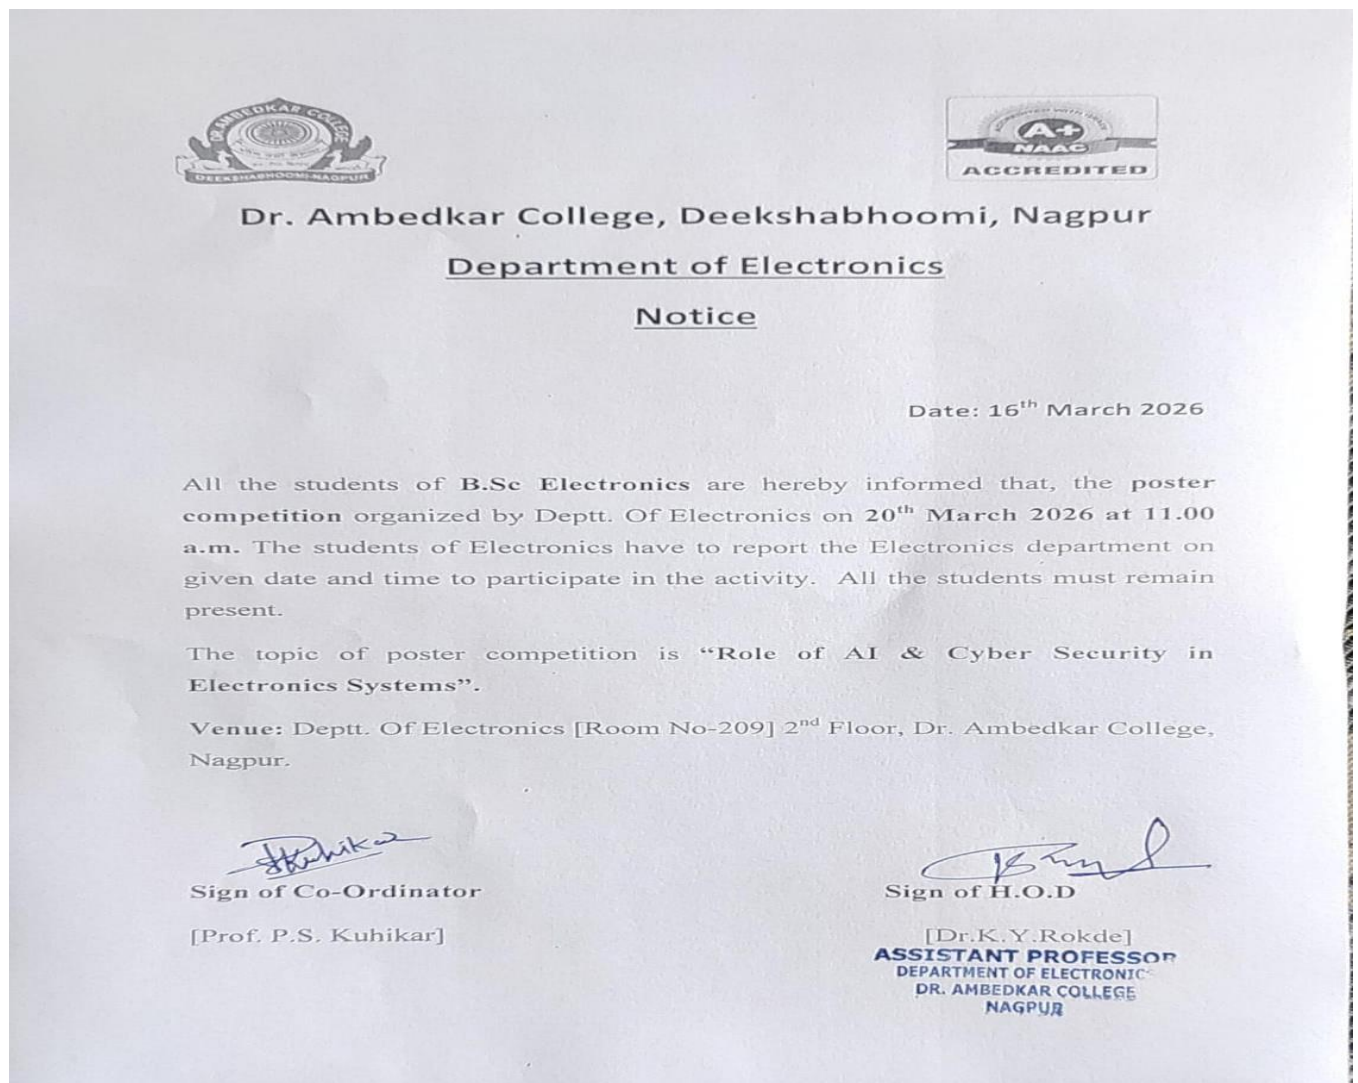

Date: 20th March 2026

Time: 11.00 am to 2.00 pm

Event conducted by: Department of Electronics, Dr Ambedkar College, Deekshabhoomi, Nagpur.

Faculties:

1. Dr. K.Y.Rokde, Assistant Professor & Head

About Poster Competition:

The Electronics Department organized a **Poster Competition** on “**Role of AI and Cyber Security in Electronics System**” on date 20th March 2026 to encourage creativity and innovation among students. The competition aimed to provide a platform for students to showcase their technical knowledge and artistic skills through informative and visually appealing posters.

Objectives:

1. To enhance students’ understanding of AI & Cyber Security related concepts.
2. To encourage research and creativity in presenting ideas.
3. To promote teamwork and collaboration among students.
4. To provide a competitive yet enjoyable learning experience.

Event Overview:

- The competition was conducted in Deptt. Of Electronics Labortary, with enthusiastic participation from students of B.Sc Sem-II [NEP], B.Sc Sem-IV Major Electronics. The theme of the competition was “**Role of AI and Cyber Security in Electronics System**”, and participants were required to prepare posters based on their interpretations of the topic.
- Students were given 3 Hours to create their posters, followed by a brief presentation explaining their concepts. A panel of esteemed judge with including faculty members evaluated the posters based on creativity, content, presentation, and relevance to the theme.
- The program was successfully conducted under the able guidance of the **Principal, Prof. Dr. Deepa Panhekar**, who played a pivotal role in its organization. The jury was the **Prof. Vitthal Bondar** from Deptt. Of Computer Sciece, Dr. Ambedkar College, Nagpur.
- The numbers of 07 Students were participated in poster competition.

Results & Awards:

After a thorough evaluation by the jury, the winners were announced, and prizes were distributed to the top performers. The following students were awarded:

1. **First Prize:** [Ku. Ekta Kotangale] – [Cyber Security]
2. **Second Prize:** [Ku.Pallavi Dongre] – [Role of AI]
3. **Third Prize:** [Ku. Himanshi Shende] – [Smart System needs smart Protection]

Conclusion:

The Poster Competition was a resounding success, with students showcasing their knowledge and artistic skills in an engaging manner. The event fostered a spirit of innovation and teamwork while encouraging students to think outside the box. The Electronics Department extends its gratitude to all participants, faculty members, and judges for making this event a memorable one.
